(16) Strength and weaknesses of the University

16.1	Strengths of the University 	<ul style="list-style-type: none"> The university's emphasis on industry-relevant skills, flexible learning options, and inclusive education has contributed to its growing reputation in the region. Sikkim Skill University, established by the
------	---	---

		<p>Government of Sikkim under Act No. 17 of 2021 and recognized by the UGC under Section 2(f), is a premier institution dedicated to providing skill-oriented and vocational education. The university offers a wide range of diploma, undergraduate, and postgraduate programs across disciplines such as paramedical sciences, applied psychology, IT, hospitality, and public health. These programs are carefully designed to combine theoretical knowledge with practical exposure, ensuring students gain the competencies needed for emerging industries. Through strong industry collaborations, internship opportunities, and training initiatives, the university enhances the employability and professional readiness of its students.</p> <ul style="list-style-type: none"> • The university is equipped with modern infrastructure, advanced laboratories, and a team of qualified and experienced faculty committed to quality education, mentorship, and research. It emphasizes entrepreneurship, innovation, and community engagement, promoting self-employment and contributing to regional development. By focusing on inclusive, industry-relevant, and skill-based education, Sikkim Skill University plays a vital role in driving the socio-economic growth and sustainable development of the Sikkim region.
16.2	Weaknesses of the University	<ul style="list-style-type: none"> • Experienced and NET qualified full-time faculty as per the norms and guidelines of the UGC are hard to get especially for many new disciplines, with relevant years of corporate experience. Not available despite best of our efforts of giving regular advertisement in newspaper, social media and paying salary as

		<p>per as the norms with providing best of the facilities.</p> <ul style="list-style-type: none"> • The approach road to the university, which is about long and passes through a village, is very poor and destructive. • There is a difficulty in retaining and locating the Faculty Members as the place Namthang which is the headquarters of the University is in a remote area. Till such time the Staff Quarters are built-up, it will be difficult to retain the Faculty Members. However, the University is trying to employ the retired persons of repute for managing the Academic Affairs. • The Sponsoring Agency is also in touch with different funding and collaborating organizations for jointly implementing programmes having social, cultural, educational, scientific, environmental, entrepreneurial, economic and positive contents for the optimum development of the University.

Audit report under section 12A (1) (b) of the Income-Tax Act, 1961 in the case of Charitable or Religious trusts or institutions

We have examined the Balance sheet of KVN Skill Foundation ("the trust") as at March 31, 2024 and the Income and Expenditure Account for the year ended on that date which are in agreement with the books of account maintained by the said trust. These financial statements are the responsibility of the Trust's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion and to the best of our information, and according to information given to us, the said accounts give a true and fair view: -

- i) in the case of the balance sheet of the state of affairs of the trust as at March 31, 2024.
- ii) in the case of the income and expenditure account, of the excess of income over expenditure for the accounting year ended on March 31, 2024.

The interest may be paid either in a lump sum at the time of maturity or it may be paid every quarter or every month as per terms of the Deposit.

5. The method of calculation on interest on a Term/Fixed Deposit:

- For Term/Fixed Deposits with quarterly payouts interest is calculated based on annual rates (simple interest). However, in case of monthly payouts, interest is paid at a discounted value. For Term/Fixed Deposits with Quarterly/Monthly on maturity payout, interest is calculated on the principal amount for actual number of completed days.
- For Cumulative Term/Fixed Deposits, interest is compounded quarterly (180 days for FCNR Deposits) on completion of exact quarters (180 days for FCNR Deposits). For the broken period beyond completed quarters (half-years for FCNR), simple interest is calculated on the Cumulated Deposit amount for remaining number of days.
- Rates up to 180 days are on "simple interest" basis. Interest on tenor above 180 days is payable/compounded on quarterly basis.
- Compound Interest/Re-Investment interest is calculated every quarter, and is added to the Principal such that Interest is paid on the Interest earned in the previous quarter as well.
- For Deposits with monthly interest pay-out option, the interest shall be calculated for the quarter and paid monthly at a discounted rate over the Standard FD Rate.
- For the purpose of interest calculation financial year is taken to consist of 365 days, except in a leap year when it is taken to consist of 366 days.

6. Renewal:

- In the absence of any special instructions, the Deposit will be renewed on maturity for a like term at the then applicable interest rates.

- Where the terms of the Deposit permit, a customer may request closure of a Term/Fixed Deposit before completing the original term of such deposit. In case of premature closure of the Term/Fixed Deposit, interest will be paid basis interest rate applicable at the time of booking the Term/Fixed Deposit, for the corresponding period for which Deposit has remained with the bank. Additionally, Term/Fixed Deposit if prematurely closed, would be subject to 'Premature Closure Penalty' as prescribed by the Bank on the date of Deposit. The interest thereon will be paid for the period for which the Deposit has remained with the bank, after application of penalty. Term/Fixed Deposits of Senior Citizens and premature closure of Term/Fixed Deposit effected due to death of account holder/s are exempted from the said Premature Closure Penalty. The said Premature Closure Penalty shall be applicable and imposed on all Term/Fixed Deposits booked and/or renewed on or after 2nd May 2019. (Minimum tenure for Resident & NRO Deposits is 7 days. Minimum tenure for NRE & FCNR Deposit is 365 days. If Deposit is held for a period less than applicable minimum tenure, no interest is payable).
- For the Deposit amount remaining after the part withdrawal, interest rate remains the same i.e the rate at which the FD was originally booked
- Penalty for pre-mature closure of Fixed Deposit would be at 1%.
